Keanu, William, Dominique, Constantine

ECEN 201 – Final Project Report

Included is the final report from Keanu that includes a breakdown of the appliances along with calculations performed by Dominique and Constantine. Also included is the Excel chart that I drafted with applicable bar graphs and scriptural verses matching our project efforts.

Additional PDFs:

William - GitHub page screenshot & Linear Regression chart

Constantine - “8558732051537840273”

Dominique – “project doubletime”
